Introduction

Thank you for choosing Ecclesiastical

Please read this insurance document very carefully, together with any clauses and the schedule, as this is a contract between you and us and explains the covers and conditions of your policy in detail. If anything is incorrect please contact us or your broker immediately.

We agree to provide the insurance described in this policy in return for the premium you have paid us.

The policy will be governed by English law unless you live in Scotland in which case the law of Scotland will apply (except the Legal expenses section which is subject to the law of that part of the United Kingdom, Channel Islands or Isle of Man where you normally live). In the case of a dispute as to which law applies, it will be English law.

How we use your data

Your privacy is important to us. We will process your personal data in accordance with data protection laws.

Ecclesiastical Insurance Office plc ("**we**", "**us**", "**our**") is the data controller in respect of any personal data which you provide to us or which we hold about you and any personal data which is processed in connection with the services we provide to you.

Where you provide us with personal data about a person other than yourself (such as a dependant or named person under a policy), you must inform them that you are providing their personal data to us and refer them to this notice.

To provide our insurance related services, we will collect and process your personal data such as your name, contact details, financial information and any information which is relevant to the insurance policy we are providing. In order to provide your insurance policy or when making a claim, we may also need to collect or process 'special categories of personal data' such as information relating to your health or criminal convictions or information which is likely to reveal your religious beliefs.

We process your personal data for the purposes of offering and carrying out insurance related services to you or to an organisation or other persons which you represent. Your personal data is also used for business purposes such as fraud prevention, business management, systems development and carrying out statistical and strategic analysis.

Providing our services will involve sharing your personal data with, and obtaining information about you from, our group companies and third parties such as brokers, loss adjusters, credit reference agencies, fraud prevention agencies, our service providers and professional advisors, or business partners and our regulators.

In some circumstances we may transfer your personal data to countries outside of the European Economic Area. We will put appropriate safeguards in place to ensure that your personal data is protected.

Where we have your consent, we may market our services to you or provide your personal data to our related companies or business partners for marketing purposes. You can opt out of marketing communications at any time by clicking on the link at the bottom of any email or by contacting us.

Fraud Prevention

We need to carry out fraud and anti-money laundering checks, and this will involve sharing your personal data (such as your name, contact details and financial information) with credit reference and fraud prevention organisations such as the Claims and Underwriting Exchange, run by MIB. If you make a claim, we will share your personal data (to the extent necessary) with other companies including other insurers and anti-fraud organisations to prevent fraud. For the purposes of deciding whether to accept and pay a claim or any part of it, we may appoint loss adjusters or external investigation services to act on our behalf.

If false or inaccurate information is provided and fraud is identified, your personal data will be passed to fraud prevention agencies including the Insurance Fraud Register, run by the Insurance Fraud Bureau. Law enforcement agencies may access and use this information.

Please note that when carrying out any fraud prevention activities, we may need to process your special categories of data such as criminal offence information and share it with fraud prevention agencies.

1 Duty of care

You must take all reasonable steps to prevent or reduce **damage** to property insured by this **policy** and to maintain the property in a good condition and in a good state of repair.

2 Adequacy of sums insured

Buildings

Your sums insured must represent the full rebuilding cost of **your buildings** including professional fees, removal of debris and statutory costs. To reduce the possibility of being underinsured **you** must tell us as soon as is reasonably possible of any refurbishments or extensions **you** have made to the **buildings** and **you** must amend the sums insured to account for this.

If **your** sums insured do not represent the full rebuilding cost of **your buildings**, **you** may not receive the full amount of **your** claim to enable **you** to repair or rebuild as new the damaged part of the **buildings**.

Contents, art and antiques and personal valuables

Your sums insured must represent the cost of replacing **your contents, art and antiques** and **personal valuables** as new, or for their market value or their full acquisition costs, whichever is the greater. To reduce the possibility of being underinsured **you** must review the sums insured for **contents, art and antiques** and **personal valuables** at least once a year to ensure that the sums insured continue to correctly reflect the cost of replacing the items as new, or for their market value or their full acquisition costs, whichever is greater. **You** must tell **us** as soon as is reasonably possible of any increase in the correct cost of replacing the items as new, or their market value or full acquisition costs.

If **your** sums insured do not represent the cost of replacing **your contents, art, antiques** and **personal valuables** as new, or for their market value or their full acquisition costs, whichever is greater, **you** may not receive the full amount of **your** claim to enable **you** to replace the items.

3 Other insurances

At the time of any loss, damage or liability resulting in a claim under this **policy**, if **you** have any other insurance covering the same loss, damage or liability, **we** will only be responsible for **our** proportion of the claim.

4 More than one property

If this **policy** insures more than one property as shown on **your schedule**, the policy limits and exclusions apply separately to each property in the same way as if each property had been insured by a separate policy.

5 Notifying us of a change

Please tell **us** as soon as possible if there are any changes to the information set out in the most recent **schedule** issued to **you**. This includes any change to the persons to be insured under the **policy**, the address of the property to be insured and the amounts or limits **your** items are insured for.

You must also tell **us** as soon as possible about any of the following:

1. Any change to **your** correspondence address for this **policy**;
2. Any change to **your** occupation, trade, profession or nature of business activity;

3. If any person insured under this **policy** receives a criminal conviction which results in a custodial sentence;
4. Any planned building works (other than those automatically provided for, as explained in General condition 15);
5. If there is a change in the use of the **buildings** or change to the **business** conducted from the **buildings**;
6. If any of **your buildings** are to be **unoccupied**. If in doubt, **you** should contact **us** or **your** broker;
7. Any alteration to the fire and/or security arrangements or protections previously advised to **us**, including any fire and/or intruder alarm system no longer being maintained, operational or used or if there are any changes to the response to an alarm activation.

If **you** tell **us** about a change affecting **your policy**, **we** will tell **you** whether **we** are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to **your policy**.

If **you** do not tell **us** about a change described above, or if the information that **you** provide is not complete and accurate **we** may, depending on the circumstances:

1. refuse to pay or reduce the amount **we** pay for the relevant claim;
2. revise the terms and/or premium of **your policy**; or
3. cancel **your policy** in accordance with General condition 7.

6 Changes to premium

If **you** make a change in the policy cover and this results in a charge or a refund of the premium for the period up to the renewal date of the **policy**, then such charge or refund will only be made by **us** if exceeding £50 plus insurance premium tax. **We** do not make an administration charge for processing changes **you** require.

7 Cancelling the policy

1. Your right to cancel in the cooling-off period

You have a right to cancel this policy for any reason within the first 14 days of the start of cover (or **your** renewal date) or the date **you** receive **your** policy documentation if this is later.

No charge will be made and any premium **you** have already paid will be refunded, provided that between the start date (or **your** renewal date) and the date that **you** cancel:

- **you** have not made a claim and
- **you** are not aware of any incidents that may give rise to a claim.

If **you** do make a claim or **you** are aware of an incident which may give rise to a claim then **you** must pay the annual premium in full.

2. Your right to cancel after the cooling-off period

If **you** do not cancel the **policy** within the 14-day cooling-off period mentioned above, the **policy** is in force and **you** are committed to pay the premium. However, **you** can still cancel the **policy** providing **you** tell **us**. As long as **you** have not made a claim or are not aware of an incident which may give rise to a claim, during the current period of insurance **you** will receive a refund of the part of **your** premium which covers the cancelled period, providing this exceeds £50 plus insurance premium tax. If **you** have made a claim or **you** are aware of an incident that may give rise to a claim during the current period of insurance then you must pay the annual premium in full.

If **you** purchased **your policy** through an insurance intermediary, please contact them in the first instance. If **you** did not purchase **your policy** through an intermediary, or **you** are unable to contact **your** intermediary, please contact **us** by telephone, in writing or by email.

3. Our right to cancel

a. Non-payment of premium

- i. If **you** do not pay **your** premium by instalments
Unless otherwise agreed with **us**, **we** will not provide cover under this **policy** unless **you** pay the premium by the commencement date of cover. If **you** do not pay the premium by this date, **we** will send notice of the outstanding premium to **you** and give **you** a further period of at least 14 days from the commencement date of cover in which to pay the outstanding amount. If payment is still not received in the timescale **we** have advised the **policy** is cancelled from the outset.
- ii. If **you** pay **your** premium by instalments
Unless otherwise agreed with **us**, **we** will not provide cover under this **policy** unless **you** pay the first instalment of premium when requested. If the first instalment of premium is not received, the **policy** is cancelled from the outset.

If **you** pay the first instalment of premium but default on any subsequent instalments, **we** may cancel the **policy** with effect from the date the first outstanding instalment was due by notifying **you** in writing.

If **your** instalment plan is provided by **us**, **we** will send notice of any outstanding instalment to **you** and advise the date when **we** will re-present our payment request to the bank. This will not be less than 14 days from the date on which **our** payment request was originally presented.

We will not cancel the **policy** for failure to pay the premium or any instalment of premium if such failure is due to error on **our** part or on the part of **your** broker, bank or building society.

b. Other cancellation rights

In addition to **our** rights under:

- i. non-payment of premium above; and
- ii. General condition 11 Fraudulent claims; and
- iii. General condition 13 Sanctions;

we have the right to cancel **your policy** at any time by giving **you** at least 14 days' notice in writing, sent by special delivery to **your** last known address, where **we** have a valid reason for doing so. **Our** cancellation letter will set out the reason why **we** are cancelling **your policy**. Valid reasons for cancelling **your policy** may include but are not limited to:

1. circumstances which are outside **our** reasonable control, for example:
 - a. where the law requires that **we** cancel **your policy**;
 - b. where the continuation of **your policy** would result in **us** breaching any applicable law or regulation that applies to **your policy**.
2. **you** receiving a criminal conviction which results in a custodial sentence.

If **we** cancel **your policy** for a valid reason in accordance with **our** rights under b. above and **you** do not pay **your** premium by instalments, **we** will refund the part of **your** premium which relates to the period remaining under **your policy** which has been cancelled by **us**.

If **you** have made a claim under **your policy**, **we** will not refund any part of **your** premium and **you** will be required to pay **us** any unpaid premium.

8 Making a claim

1. If any event which may result in a claim under this **policy** occurs, **you** must tell **us** as soon as is reasonably possible and within seven days in the event of riot.

Other action to take then depends on the type of claim.

Accidental loss outside the home, theft, vandalism, or malicious acts

Tell the police as soon as reasonably possible and obtain a crime reference number for theft, vandalism or malicious acts.

Legal liability for injury or damage

Immediately send **us** any writ, summons, or other legal document.

You must not negotiate, admit or deny any claim without **our** written permission.

Legal expenses

Tell DAS Legal Expenses Insurance Company Ltd as soon as possible.

Travel

You must place yourself under the care of and follow the advice of a qualified medical practitioner in the event of bodily injury or sickness which may be the subject of a claim under this policy.

You must give **us** reasonable notice before the interment or cremation or the holding of any inquest, enquiry or proceeding concerning the death or disappearance of an insured person.

2.
 - a. To help progress **your** claim **we** may require **you** to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, utility bills, pre-purchase surveys or plans and deeds of **your** property. **We** may also require **your** consent to obtain information about **your** loss from the police or other relevant law enforcement agency.
 - b. To help assist in dealing with **your** claim **we** may require **you** to obtain estimates for the replacement or repair of damaged property.

We will only ask for information relevant to **your** claim and **we** will pay for any reasonable expenses **you** incur in providing **us** with the above information as part of **your** claim.

- c. Following notification of **your** claim any property damaged beyond repair must be retained for at least 30 days (or any other period **we** agree) and be made available for **our** inspection. This condition does not apply to the Art, antiques and personal valuables section where a separate salvage condition applies.

9 Rights and responsibilities

We may enter **your** property where **damage** has occurred to deal with **your** claim, temporarily take for safe keeping any of the property insured and deal with any salvage. However, **you** must not abandon any property to **us**.

We may take over and deal with, in **your** name, the defence or settlement of any claim.

We may take proceedings in **your** name, but at **our** expense, to recover the amount of any payment **we** have made under this **policy**. **You** must give **us** all the information **we** may need to make these recoveries.

10 Rights of third parties

A person or company who is not party to this **policy** has no right under the Contract (Right of Third Parties) Act 1999 to enforce any term of this **policy**, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

11 Fraudulent claims

If a claim made by **you** or anyone acting on **your** behalf, or any other person claiming to obtain benefit under this **policy**, is fraudulent or exaggerated, whether ultimately material or not, or if any damage is caused by **your** wilful act or with **your** knowledge **we** may at **our** option:

1. repudiate the claim;

2. recover any payments already made by **us** in respect of the claim;
3. cancel the **policy** from the date of the fraudulent act and retain the premium due for the unexpired period of insurance from the date of cancellation up to the renewal date. If **we** cancel the **policy** **we** will notify **you** in writing, by special delivery to **your** last known address.

12 Misrepresentation

It is **your** duty to take reasonable care not to make a misrepresentation to **us** if **we** ask **you** a question in connection with **your** insurance or **we** ask **you** to confirm or amend details.

If **you** fail in this duty it may have adverse consequences on **your policy** including, in the worst case scenario, refusing all claims, cancelling the **policy** from the beginning and retaining all premiums paid.

13 Sanctions

We shall not provide any cover under this **policy** or be liable to pay any claim or provide any benefit to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom of Great Britain and Northern Ireland, Channel Islands, Isle of Man or United States of America.

If any such sanction, prohibition or restriction takes effect during the period of insurance **you** or **we** may cancel that part of this **policy** which is affected with immediate effect by giving such notice in writing.

In such circumstances **we** shall return a proportionate premium for the unexpired period of cover provided no claims have been paid or are outstanding.

14 Assignment

You shall not assign any of the rights or benefits under this **policy** or any section of this **policy** without **our** prior written consent.

We will not be bound to accept or be affected by any notice of trust, charge, lien or purported assignment or other dealing with or relating to this **policy** or any section of this **policy**.

15 Building works

You must provide **us** with full details of any conversions, renovations, extensions, restorations or maintenance work to the **buildings** if such works involve any of the following;

 - a. £150,000 any one contract or,
 - b. £150,000 for all contracts in total in any one period of insurance;
2. the work involves **significant building works**.

Once notified, **we** have the option to change the conditions of this **policy**.

If **you** fail to notify and provide **us** with full details at least 30 days before the work is due to start, **we** may not pay for any loss caused by or relating to the building works under **your policy**.

1 Buildings

(Your schedule will show if this section applies)

What is covered

This section of the **policy** provides insurance against **damage** to **your buildings** or **tenant's improvements** during the period of insurance unless stated otherwise in **our policy** or an exclusion applies.

How we will pay your claim

Your schedule will indicate the agreed payment basis.

Reinstatement

We will pay up to the sum insured shown for **buildings** as detailed in the **schedule**.

Provided the work is carried out without delay **we** will pay the cost for **you** to either repair or rebuild as new the damaged part of the **buildings** using **reinstatement techniques and materials**. However, if **you** and **we** agree that it is not reasonable to repair the **buildings** using **reinstatement techniques and materials**, **we** will pay **you** an amount which **we** both agree is fair.

For **tenant's improvements** **we** will decide whether to replace or repair the damaged parts.

If the **buildings** are not in a good state of repair at the time of the loss, **we** will reduce the amount **we** will pay to take into account wear and tear.

Under this section **we** will also pay the following costs:

1. architects', surveyors', engineers' and other professionals' reasonable and necessary fees;
2. the cost of demolishing the **buildings**, supporting the **buildings**, removing debris and making the site safe;
3. the cost of keeping to local authority or other legal conditions made after the **damage**.

We will not pay for the cost of preparing a claim.

Reinstatement of sum insured

Unless **we** advise otherwise within 30 days of **you** reporting any **damage** to **us**, **we** agree to reinstate **your** sums insured from the date upon which repair or replacement has been completed. This is provided **you** carry out **our** requirements to prevent further **damage**.

Extended replacement cost

If you have had a valuation by **our** surveyor, or by an independent professional valuer which **we** have accepted in writing, and **you** have set **your** sums insured accordingly, **we** will pay:

1. if **your buildings** sum insured is less than £10,000,000, the full cost of repairing or rebuilding the **buildings** even if this amount is greater than the sum insured shown in **your schedule**.
2. if **your buildings** sum insured is greater than £10,000,000, the full cost of repairing or rebuilding the **buildings** up to a maximum of 130% of the sum insured shown in **your schedule**.

This cover will only be provided if **you** tell **us** about any refurbishments or extensions **you** have made to the **buildings** since the valuation was conducted and **you** amend the sum insured to account for this.

We have the right not to accept an alternative valuation under the terms of this cover.

Where **we** have not accepted in writing the valuation by another professional valuer or where **you** do not maintain the sums insured in line with **our** valuation, the basis of settlement for **your buildings** will be 'Reinstatement'.

Matching pairs and sets

In the event of **damage** to a **key component part** of a fitted bathroom suite, sanitary installation or fitted kitchen, **we** will pay the cost of renovation, repair or replacement of that **key component part**. If it is not possible to renovate, repair or replace the **key component part** **we** will pay for a replacement suite of similar quality and specification, including waste fittings, taps and trimmings, provided that once **we** have paid **your** claim **we** may take possession and ownership of any damaged and undamaged **key component part** or items of the pairs, set or suite.

Excess waiver

We will waive any **excess** of £1,000 or less where **your** claim exceeds £10,000.

Index Linking

We will adjust the sum insured for **buildings** and **tenants' improvements** in line with the House Rebuilding Cost Index (prepared by the Royal Institution of Chartered Surveyors) or an alternative index.

We will not charge **you** for increases made to the sums insured after index linking. However, at the end of each period of insurance, the renewal premium will be based on the adjusted sums insured.

Index-linking will continue from the date of the **damage** until the resulting claim is settled.

 - b. take reasonable steps to avoid and prevent claims;

9. Anyone claiming under this section must have the agreement of the policyholder to claim.
10. This section is governed by the law that applies in the part of the United Kingdom, Channel Islands or Isle of Man where **you** normally live. Otherwise the law of England and Wales applies.

All Acts of Parliament mentioned in this section of the policy include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as the case may be.

11. If there is a disagreement about the handling of a claim and it is not resolved through **DAS'** internal complaints procedure, the Financial Ombudsman Service may be able to help. This is a free arbitration service for eligible complaints. (Details available from **www.financial-ombudsman.org.uk**)

If the dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, **DAS** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. Guidance note

The cover under this section has been arranged by us through a third party provider, DAS Legal Expenses Insurance Company Limited (DAS). Ecclesiastical is responsible for paying any claims under this section but DAS manage all claim matters and correspondence on our behalf.

To make a claim under this section, please phone DAS on the following 24 hour claims service number:

0345 601 3151

DAS records and monitors all phone calls from policyholders and other consumers.

Before asking for help, please check that the problem is covered by this policy. It is important that you contact our assistance centre as soon as possible after the home emergency. Our phone lines are open 24 hours a day, 365 days a year.

Do not arrange for a contractor yourself, as we will not pay for this. We will also not pay for any work which has not been authorised in advance by us.

We will provide assistance only if we have given our agreement and only if there is someone aged 18 or over at home when our approved contractor arrives.

When you have given us details of your claim and we have accepted it, we will arrange for one of our approved contractors to help you as quickly as possible. We will tell you what to do next.

In a situation that could result in serious risk to you or substantial damage to your home, you should immediately contact the emergency services (fire, police or ambulance). If you think there is a gas leak you should contact the National Gas Emergency Service on 0800 111 999. If there is an emergency relating to a service such as water or electricity, you should also contact any company responsible for supplying the service.

Please note that our usual service standards may be affected by circumstances beyond our reasonable control such as remote locations, bad weather or availability of parts.

We will not be able to help if conditions make repairs dangerous, for example we cannot carry out roof repairs in high winds or repair damp electrics.

Please also refer to What we will not pay, What is not covered and the Conditions shown in this section of the policy.

At all times we will decide the best way of providing help.
