There is no third party accredited performance standard for roof alarms as this is very much emerging technology. Instead Ecclesiastical has devised a minimum performance standard for the installation of roof alarms, to which all our approved suppliers have signed up to.

Before being granted approved supplier status Ecclesiastical require the installer to demonstrate their expertise in the heritage sector.

We are able to consider roof alarm installations from non-approved installers.

## Need to contact us?

For further advice Ecclesiastical customers can call our risk advice line on **0345 600 7531** (Monday to Friday 9am - 5pm excluding bank holidays) or email us at **[risk.advice@ecclesiastical.com](mailto:risk.advice@ecclesiastical.com)** and one of our experts will call you back within 24 hours.
