Ecclesiastical has teamed up with EduCare to offer high-quality, specialist online safeguarding and professional development training.

To support you and your education establishment, we are offering a 10% discount off EduCare's online safeguarding service that includes unlimited access to a range of safeguarding and duty of care courses.

- EduCare for Education® is an all-inclusive training course package that will meet all of your duty of care and compliance training needs.
- The annual service provides unlimited access to a range of over 30 online CPD training courses written or endorsed by subject experts, including Kidscape, Young Minds, Mentor, Bullying UK and many more.
- Each course is independently verified by the CPD Certification Service with personalised certificates upon completion to provide evidence of learning.
- Courses cover topics such as child protection, safer recruitment, child exploitation and online safety, preventing bullying and the Prevent duty.

Sold as an annual licence, EduCare for Education® provides unlimited access for all staff including new starters, governors, support staff and volunteers all year round.

This unlimited access means that for one annual payment, you can be confident that every adult within your setting is fully trained and able to provide the essential level of care and support that all children and young people deserve.
