

Historic Britain insurance

Doing more for heritage

We have over 130 years' experience protecting the nation's historically significant locations. We insure more Grade I listed buildings than any other insurer, as well as the majority of Treasure Houses. We are proud to protect the nation's historic landmarks and are involved in insuring 10 UK World Heritage sites. Our dedication to the heritage sector enables us to provide a deeper understanding of customer needs.

Doing more with our heritage partners

Our collaboration with key organisations such as The Heritage Alliance enables us to gain valuable insight into the challenges facing the heritage sector.

Doing more to protect

We understand the uniqueness of your building and its impact on the surrounding area. Our highly skilled survey team provides accurate valuations ensuring it can be

repaired to the same standards, retaining its identity, should it become damaged. All as part of the service.

Doing more to manage risk

Our in-house risk team can assess all types of risk, from small local establishments to national organisations. Our bespoke reports share insight on the best way to manage risks, ultimately helping you to prevent loss and preserve your reputation.
