# Introduction

## Thank you for choosing Ecclesiastical

Founded in 1887 to insure the Anglican church, Ecclesiastical is the UK's leading church insurer. We provide specialist church insurance for church buildings and church people, as well as a range of expert guidance, advice and support.

### Policy information

The policy is divided into a number of sections. Your schedule will show which sections are in force and for how much you are insured.

Please read the policy and schedule carefully. If you have any queries or wish to change your cover, contact us immediately.

We will send you an updated schedule whenever the cover is changed and at each annual renewal date. The most recent schedule will provide the details of your current cover. Please retain this with your policy booklet, together with any special notices we send you about the policy.

Please also retain all other schedules so you may check what cover applied on any specific date should you need to do so.

If your needs change, please tell us.

### Fund raising events and special activities

We consider events such as fetes, coffee mornings and bake sales as normal church activities and your policy will provide cover for these. But, occasionally churches will run more unusual or hazardous activities such as fireworks displays, abseiling, rock climbing or tower tours. If you are planning any events like these please let us know before the event takes place. Most events will pose no problem but you need to be aware of your obligations under, for example, Health and Safety legislation.

Where activities of an especially hazardous nature are undertaken such as a fireworks display, clay pigeon shoots, abseiling or rock climbing we would expect you to use a competent specialist provider and check that they have adequate public liability insurance in place at the time of the event and where you can confirm this, we would not normally charge an additional premium.

Our 'Made Simple' guide to organised events gives more advice and you can read it at

**[www.ecclesiastical.com/madesimple](http://www.ecclesiastical.com/madesimple)**

As part of your mission, you may be planning to support your community, for example, through providing a night shelter, food bank or parish nursing. There are important regulatory issues you need to be aware of and we can help you with free advice to make sure you comply with the regulatory requirements. Depending on the extent of this work, we may charge a small additional premium.

For more advice you should also read our 'Made Simple' guide to community outreach at

### How we use your data

Your privacy is important to us. We will process your personal data in accordance with data protection laws.

Ecclesiastical Insurance Office plc ("**we**", "**us**", "**our**") is the data controller in respect of any personal data which you provide to us or which we hold about you and any personal data which is processed in connection with the services we provide to you.

Where you provide us with personal data about a person other than yourself (such as a dependant or named person under a policy), you must inform them that you are providing their personal data to us and refer them to this notice.

To provide our insurance related services, we will collect and process your personal data such as your name, contact details, financial information and any information which is relevant to the insurance policy we are providing. In order to provide your insurance policy or when making a claim, we may also need to collect or process 'special categories of personal data' such as information relating to your health or criminal convictions or information which is likely to reveal your religious beliefs.

We process your personal data for the purposes of offering and carrying out insurance related services to you or to an organisation or other persons which you represent. Your personal data is also used for business purposes such as fraud prevention, business management, systems development and carrying out statistical and strategic analysis.

Providing our services will involve sharing your personal data with, and obtaining information about you from, our group companies and third parties such as brokers, loss adjusters, credit reference agencies, fraud prevention agencies, our service providers and professional advisors, or business partners and our regulators.

In some circumstances we may transfer your personal data to countries outside of the European Economic Area. We will put appropriate safeguards in place to ensure that your personal data is protected.

Where we have your consent, we may market our services to you or provide your personal data to our related companies or business partners for marketing purposes. You can opt out of marketing communications at any time by clicking on the link at the bottom of any email or by contacting us.

### Fraud prevention

We need to carry out fraud and anti-money laundering checks, and this will involve sharing your personal data (such as your name, contact details and financial information) with credit reference and fraud prevention organisations such as the Claims and Underwriting Exchange, run by MIB. If you make a claim, we will share your personal data (to the extent necessary) with other companies including other insurers and anti-fraud organisations to prevent fraud. For the purposes of deciding whether to accept and pay a claim or any part of it, we may appoint loss adjusters or external investigation services to act on our behalf.

If false or inaccurate information is provided and fraud is identified, your personal data will be passed to fraud prevention agencies including the Insurance Fraud Register, run by the Insurance Fraud Bureau. Law enforcement agencies may access and use this information.

Please note that when carrying out any fraud prevention activities, we may need to process your special categories of data such as criminal offence information and share it with fraud prevention agencies.

# General conditions

## 1 Policy voidable

**You** must ensure that a fair presentation of the risks to be insured is made to **us**.

In the event of misrepresentation, misdescription or non-disclosure of any material fact or circumstance, **we** may void the policy and retain any premium paid where such misrepresentation, misdescription or non-disclosure is deliberate or reckless.

Where such misrepresentation, misdescription or non-disclosure is not deliberate or reckless **we** may at **our** option:

- (i) void the policy and refund to **you** any premium paid if **we** would have not entered into this policy on any terms had clear representation, description and disclosure been made;
- (ii) proportionately reduce the amount to be paid on any claim if **we** would have entered into this policy on the same terms but for a higher premium.  
The reduction in claim payment will represent the percentage difference between the premium **you** have paid and the premium **we** would have charged **you** had clear representation, description and disclosure been made;
- (iii) impose additional terms on this policy if **we** would have entered into this policy on such additional terms but at the same premium had clear representation, description and disclosure been made.

**We** may apply these additional terms to **your** policy with effect from inception.

## 2 Reasonable care

It is a **condition precedent to liability** that **you** shall:

- (a) take all reasonable precautions to prevent **damage**, accident, illness and disease;
- (b) exercise reasonable care in seeing that all statutory and other obligations and regulations are observed and complied with;
- (c) maintain the **premises**, works, machinery and plant in sound condition.

## 3 Unused buildings

- (a) When a building or part of a building insured by this policy becomes **unused** or when an **unused** building or part of a building is again occupied **you** must tell **us** as soon as is reasonably possible.

Upon any alteration as described above **we** may at **our** option:

- (i) cancel the policy in accordance with the Cancellation condition;
  - (ii) cancel the cover for any affected buildings;
  - (iii) amend the terms and conditions that apply to such buildings and charge an additional premium.
- (b) In addition to (a) above in respect of any building or part of a building which becomes **unused**, until we advise you of our decision, the Insurable events under the Property damage section are restricted to Fire lightning and explosion and Aircraft.

## 4 Alteration of risk

If after the commencement of this insurance there is a change in circumstances which increases the risk of **damage**, accident or liability including:

- (a) change in use of the **premises**;
- (b) major structural alterations or major repairs. (This does not include where workmen are allowed on the **premises** to carry out minor repairs, minor alterations and general maintenance not involving external scaffolding).

**You** must tell **us** as soon as is reasonably possible.

Upon any alteration described above **we** shall be entitled to cancel the policy from the date of the alteration or impose special terms or charge an additional premium.

This condition does not apply where buildings become **unused** as this is dealt with under the 'Unused buildings' general condition.

## 5 Multiple insurances

**All sections except those detailed separately below**

If at the time any claim arises under this policy there is any other insurance in force whether effected by **you** or not covering the same **damage**, loss, expense or liability **we** shall not be liable for more than **our** rateable proportion.

If such other insurance is subject to any condition of underinsurance this policy (if not already subject to any condition of underinsurance) shall be subject to that condition of underinsurance in like manner.

## Liabilities and Money sections

If at the time of any claim arising under this policy **you** are or would but for the existence of this policy be entitled to indemnity under any other policy or policies, **we** shall not be liable except in respect of any additional amount beyond the amount which would have been payable under such other policy or policies, had this insurance not been effected.

## Personal accident section

Irrespective of the number of policies issued by **us** which provide cover to an insured person, **we** shall not pay personal accident benefits under more than one policy for any one occurrence. The policy which provides the greatest benefit shall apply.

### 6 Fraudulent claims

If a claim made by **you** or anyone acting on **your** behalf, or any other person claiming to obtain benefit under this policy, is fraudulent or exaggerated, whether ultimately material or not, or if any **damage** is caused by **your** wilful act or with **your** connivance **we** may at **our** option:

- (a) repudiate the claim;
- (b) recover any payments already made by **us** in respect of the claim;
- (c) cancel the policy from the date of the fraudulent act and retain the premium due for the unexpired period of insurance from the date of cancellation up to the renewal date.

If **we** cancel the policy **we** will notify **you** in writing, by special delivery to **your** last known address.

### 7 Arbitration

Provided **we** have admitted liability for a claim, any dispute as to the amount to be paid shall be resolved by arbitration in accordance with the statutory provisions in force at the time by:

- (a) an agreed arbitrator or if an arbitrator cannot be agreed;
- (b) an arbitrator appointed by the Chartered Institute of Arbitrators following a request from either party, provided they have given seven days' written notice to the other party.

**You** must not take legal action against **us** over the dispute before the arbitrator has reached a decision.

### 8 Cancellation

In circumstances other than those in the Policy voidable, Alteration of risk, Fraudulent claims and Sanctions conditions **we** may cancel the policy, or any section of it, by sending seven days' notice commencing from the date of posting by special delivery to **you** at **your** last known address and shall refund to **you** the proportionate premium for the unexpired period of cover.

### 9 Long term agreement

The following applies if **you** have entered into a Long term agreement. If so, this will be confirmed on the schedule which will show the discount in premium **we** have allowed in exchange for the agreement, its duration and expiry date.

The policy remains an annual contract but **you** agree to offer to renew the policy at each renewal, until the expiry date.

**We** may choose not to accept **your** offer to renew. **You** are released from the agreement, without penalty, if **we** do this or if **we** cancel the policy or change the terms, conditions or price.

Premium adjustments to take account of such things as inflation adjustments, changes to sums insured or new property **you** acquire do not constitute a change in price.

Similarly, **you** will not incur penalties should **you** reduce the sums insured to match changes that occur or if **you** have to cancel the policy because **you** no longer own the **premises**.

Otherwise, if **you** break the agreement once it is in force **you** will be liable to pay **us** a withdrawal fee in accordance with the following scale.

Time of withdrawal from the agreement	Percentage of the annual premium payable
<b>Year 1</b> At or before the first policy renewal occurring after the start of the agreement	12.5%
<b>Year 2</b> During the next year of insurance or at the next policy renewal	10%
<b>Year 3</b> During the next year of insurance or at the next policy renewal	7.5%
<b>Year 4</b> During the next year of insurance	5%

## 10 Law applicable

This policy (other than the Legal expenses section) shall be governed by and construed in accordance with the law of England and Wales unless the Insured's habitual residence (in the case of an individual) or central administration and/or place of establishment is located in Scotland in which case the law of Scotland shall apply.

## 11 Rights of third parties

A person or company who is not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

## 12 Sanctions

**We** shall not provide any cover under this policy or be liable to pay any claim or provide any benefit to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

If any such sanction, prohibition or restriction takes effect during the period of insurance **you** or **we** may cancel that part of this policy which is affected with immediate effect by giving such notice in writing.

In such circumstances, **we** shall return a proportionate premium for the unexpired period of cover provided no claims have been paid or are outstanding.

## 13 Assignment

**You** shall not assign any of the rights or benefits under this policy or any section of this policy without **our** prior written consent.

**We** will not be bound to accept or be affected by any notice of trust, charge, lien of purported assignment or other dealing with or relating to this policy or any section of this policy.

**We** will have full discretion in the conduct and settlement of any such action.

- (d) An **insured person** must allow **DAS** to pursue at **our** expense and for the **insured person's** benefit, any claim for compensation against any other person and an **insured person** must give **DAS** all the information and help **DAS** need to do so.

The expert must be approved in advance by **DAS** and the cost agreed in writing between **you** and **DAS**.  
Subject to this, **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that **you** will recover damages (or obtain any other legal remedy that **DAS** have agreed to) or make a successful defence.
- 8 If there is a disagreement between **you** and **DAS** about the handling of a claim and it is not resolved through **DAS's** internal complaints procedure, **you** may be able to contact the Financial Ombudsman Service for help. (Details are available from [www.financial-ombudsman.org.uk](http://www.financial-ombudsman.org.uk).)

In instances where the Financial Ombudsman Service cannot help (e.g. **you** are not an eligible complainant), there is a separate arbitration process. The arbitrator will be a barrister chosen jointly by **you** and **DAS**.
