

# Disaster Control Template - Planning

## Template 5 - Emergency contact list

Emergency contacts should include a list of people and organisations you may need to contact. In addition, it is advisable to list names and contact details of experts, such as conservationists and other professionals, who can provide advice and support in the event of an incident.

	Name	Contact number
Emergency Services	Police/Fire/Ambulance	999

## Insurance information

A copy of your Insurance schedule should be attached, along with a copy of your policy wording or a summary of cover.

Policy Number

## Claims

Contact Number

When you contact your insurer or broker to make a claim, the following information will be useful:

- The location, nature and time of occurrence
- Details of circumstances
- The extent of damage
- The current situation
- Who the loss adjuster should contact on site.
