## Building Contract Works Questionnaire

Applicable to all contracts with a value under £150,000
Deliante Idam
Policyholder:
Policy number:
You have a duty to present us with a fair presentation of the risks to be insured and must disclose every material circumstance which you know or ought to know about such risks. You do not need to disclose circumstances which reduce the risk or those which the Company already knows or ought to know.
If you breach your duty to provide a fair presentation of the risks to be insured, the policy could be cancelled or terms changed in accordance with the policy conditions. A specimen policy document is available upon request.
A copy of this questionnaire is available on request.
Castina 1
Section 1
Start date:
Anticipated completion date:
Important note: if the contract appears likely to run beyond the completion date, please contact us in order to arrange any necessary extension of cover.
Value of works plus an allowance for architects' and other professional fees, debris removal costs and VAT for which you are responsible:
If VAT is exempt from the project in question, you can declare a contract value which excludes VAT. Please note that if a claim were to occur the maximum settlement we would pay would reflect the figure you have declared, regardless of whether elements of the claim include VAT.
Address of premises where work is to be undertaken (please name the specific building that will be affected if the address covers a range of buildings):
Postcode
Please provide a description of the works:

Description of th	he works contin	ued:			
Castina 2					
Section 2					
If the works are	subject to a for	mal building cor	ıtract, plea	ase provide the following	ıg details:
Which contract a Tick and complete or the person supe	as necessary. The	clauses are signifi	cant and if	you are unsure please con	tact your architect
