Policy information

The policy is divided into a number of sections. Your schedule will show which sections are in force and for how much you are insured.

Please read the policy and schedule carefully. If you have any queries or wish to change your cover, contact us immediately.

We will send you an updated schedule whenever the cover is changed and at each annual renewal date. The most recent schedule will provide the details of your current cover. Please retain this with your policy booklet, together with any special notices we send you about the policy.

Please also retain all other schedules so you may check what cover applied on any specific date should you need to do so.

If your needs change, please tell us.

Fundraising events and special activities

We consider events such as fêtes, coffee mornings and bake sales as normal church activities and your policy will provide cover for these. But, occasionally churches will run more unusual or hazardous activities such as fireworks displays, abseiling, rock climbing or tower tours. If you are planning any events like these please let us know before the event takes place. Most events will pose no problem but you need to be aware of your obligations under, for example, health and safety legislation.

Where activities of an especially hazardous nature are undertaken such as a fireworks display, clay pigeon shoots, abseiling or rock climbing we would expect you to use a competent specialist provider and check that they have adequate public liability insurance in place at the time of the event.

For more information read our 'Made Simple' guide to organised events at:

www.ecclesiastical.com/church

As part of your mission, you may be planning to support your community, for example, through providing a night shelter, food bank or parish nursing. There are important regulatory issues you need to be aware of and we can help you understand your obligations to ensure you comply with the regulatory requirements.

For more information read our 'Made Simple' guide to community outreach at:

Church insurance made simple

We appreciate that churches are run by volunteers who are not experts in insurance. That is why we have developed a range of 'Made Simple' guides on topics such as administering your policy, people on church premises, church property, organised events and community outreach. These guides aim to provide a quick and easy summary of the topic and the insurance and risk management implications. You can read all the guides and access other useful information at: www.ecclesiastical.com/church

You can also find a wealth of information to help you look after your church on our website. For our latest guides and plenty of other useful information visit: www.ecclesiastical.com/church

1 Duty of fair presentation

You must ensure that a fair presentation of the risks to be insured is made to **Us**.

In the event of misrepresentation, misdescription or non-disclosure of any material fact or circumstance, **We** may void the **Policy** and retain any premium paid where such misrepresentation, misdescription or non-disclosure is deliberate or reckless.

Where such misrepresentation, misdescription or non-disclosure is not deliberate or reckless **We** may at **Our** option:

- a. void the **Policy** and refund to **You** any premium paid if **We** would have not entered into this **Policy** on any terms had clear representation, description and disclosure been made;
- b. proportionately reduce the amount to be paid on any claim if **We** would have entered into this **Policy** on the same terms but for a higher premium.
The reduction in claim payment will represent the percentage difference between the premium **You** have paid and the premium **We** would have charged **You** had clear representation, description and disclosure been made;
- c. impose additional terms on this **Policy** if **We** would have entered into this **Policy** on such additional terms but at the same premium had clear representation, description and disclosure been made.

We may apply these additional terms to **Your Policy** with effect from inception.

2 Reasonable care

It is a condition that **You**:

- a. take all reasonable precautions to prevent **Damage**, accident, illness and disease;
- b. exercise reasonable care in seeing that all statutory and other obligations and regulations are observed and complied with;
- c. maintain the **Premises**, works, machinery and plant in sound condition.

We will not cover any loss, **Damage**, liability or expense arising while **You** are not in compliance with this condition. This does not apply if **You** can prove that the non-compliance had no impact on the loss.

3 Unused buildings

When a building or part of a building covered by this **Policy** becomes **Unused** or when an **Unused** building or part of a building is again occupied **You** must tell **Us** as soon as is reasonably possible.

We may then at **Our** option:

- a. cancel the **Policy** in accordance with the 'Cancelling the Policy' condition; or
- b. cancel the cover for any affected buildings; or
- c. amend the terms that apply to such buildings and charge an additional premium.

4 Claims – Your duties

When an incident occurs that may result in a claim it is a condition that **You** shall:

- a. take and permit to be taken all practicable steps to recover property lost and otherwise minimise the claim;
- b. tell the police as soon as is reasonably possible if the **Damage** is caused by thieves, malicious persons, vandals or as a result of riot, civil commotion, strikes or labour disturbances;
- c. tell **Us** as soon as **You** become aware;

Additional conditions can be found in specific sections of the **Policy**.

6 Alteration of risk

If after the start of this insurance there is a change to the property insured or to **Your** activities which materially increases the risk of **Damage**, accident or liability **You** must tell **Us** as soon as is reasonably possible.

This includes:

- a. change in use of the **Premises**;
- b. major structural alterations or major repairs (this does not include where workmen are allowed on the **Premises** to carry out minor repairs, minor alterations and general maintenance not involving external scaffolding).

Additional requirements apply under the 'Unused buildings' condition.

7 Contribution by other insurance policies

All sections except those detailed separately below

If at the time any claim arises under this **Policy** there is any other insurance in force whether effected by **You** or not covering the same **Damage**, loss, expense or liability **We** shall not be liable for more than **Our** rateable proportion.

If such other insurance is subject to any condition of underinsurance this **Policy** (if not already subject to any condition of underinsurance) shall be subject to that condition of underinsurance in like manner.

Liabilities, Church council & trustee indemnity and Money sections

If at the time of any claim arising under this **Policy** **You** are or would but for the existence of this **Policy** be entitled to indemnity under any other policy or policies, **We** shall not be liable except in respect of any additional amount beyond the amount which would have been payable under such other policy or policies, had this insurance not been effected.

Personal accident section

Irrespective of the number of policies issued by **Us** which provide cover to an insured person, **We** shall not pay personal accident benefits under more than one **Policy** for any one occurrence. The **Policy** which provides the greatest benefit shall apply.

8 Fraudulent claims

If a claim made by **You** or anyone acting on **Your** behalf, or any other person claiming to obtain benefit under this **Policy**, is fraudulent or exaggerated, whether ultimately material or not, or if any **Damage** is caused by **Your** wilful act or with **Your** connivance **We** may at **Our** option:

- a. repudiate the claim;
- b. recover any payments already made by **Us** in respect of the claim;
- c. cancel the **Policy** from the date of the fraudulent act and retain the premium due for the unexpired **Period of Insurance** from the date of cancellation up to the renewal date.

If **We** cancel the **Policy** **We** will notify **You** in writing, by special delivery to **Your** last known address.

9 Arbitration/Disagreements about the amount We will pay

If **We** agree to cover a claim or loss, but **We** and **You** cannot agree the amount that should be paid, any dispute as to the amount to be paid will be resolved through arbitration in accordance with the statutory provisions in force at the time by:

- a. an agreed arbitrator; or
- b. if an arbitrator cannot be agreed, an arbitrator appointed by the Chartered Institute of Arbitrators following a request from either party. Before making such request, the party must give 7 days' written notice to the other party.

You must not take legal action against **Us** over the dispute before the arbitrator has reached a decision.

This condition does not apply to the Legal expenses section.

10 Cancelling the Policy

In circumstances other than those in the 'Duty of fair presentation', 'Alteration of risk', 'Fraudulent claims' and 'Sanctions' Policy conditions **We** may cancel the **Policy**, or any section of it, by sending 7 days' notice commencing from the date of posting by special delivery to **You** at **Your** last known address and shall refund to **You** the proportionate premium for the unexpired period of cover.

- b. calculating the premium at each renewal date at the rates applying at the expiry of the period of insurance,

You agree to offer annually for the **Period of Agreement** the insurance by those sections on the cover, terms and conditions in force at the expiry of each period of insurance.

It is understood that:

- i. if **We** make any changes to the rates, cover, terms and conditions of this **Policy** and such changes, in **Our** opinion, constitute an overall improvement to the rates, cover, terms and conditions, this Agreement is unaffected;
- ii. the loss limits, sums insured or limits of indemnity may be reduced at any time to correspond with any reduction in values.
We reserve the right to alter the rates in such circumstances to appropriately reflect such changes;
- iii. other than the circumstances described in i. and ii., **We** may only adjust the rates, cover, terms or conditions to appropriately reflect:
 - a. changes in **Your** activities;
 - b. any alteration which materially increases the risk of injury or **Damage** for which indemnity is provided by this **Policy**;
 - c. material change in legislation or the interpretation of any legislation by any court, tribunal or arbitrator or any government or regulatory body or ombudsman which has a material effect on the scope of cover or indemnity provided by this **Policy**;
 - d. material change in the availability, terms or cost to **Us** of reinsurance protection imposed upon **Us** by any reinsurers.

If **We** give **You** notice of **Our** intention to make adjustments in accordance with iii. a. to iii d. **You** may choose to either:

- (1) accept the adjustments and agree to continue this Agreement to the expiry of the **Period of Agreement** or;
- (2) cancel this Agreement provided that **You** exercise **Your** right to cancel within 28 calendar days of receipt of such notice or by **Your** renewal date whichever is sooner, failing which this Agreement shall continue throughout the **Period of Agreement**.

- iv. any increase in Insurance Premium Tax will be borne by **You**;
- v. this Agreement does not prejudice **Our** rights to cancel the **Policy** in accordance with the 'Duty of fair presentation', 'Alteration of risk', 'Fraudulent claims' or 'Cancelling the Policy' Policy conditions;
- vi. this Agreement applies to any policy (or policies) which **We** may issue in place of this **Policy**.

Upon expiry of the **Period of Agreement**, unless:

- a. **You** advise **Us** that **You** do not wish to renew the Agreement; or
- b. **We** advise **You** that **We** will not offer the Agreement for a further period,

this Agreement will automatically renew and the new Expiry date will be shown in **Your** policy schedule.

12 Law applicable

In the United Kingdom the law allows both **You** and **Us** to choose the law applicable to this contract.

Unless **We** and **You** agree otherwise in writing the law which applies to this contract is the law which applies to the part of:

a. the United Kingdom (England, Scotland, Wales and Northern Ireland); or,

b. the Channel Islands or the Isle of Man,

in which **You** are based.

13 Rights of third parties

A person or company who is not a party to this **Policy** has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this **Policy** but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

14 Sanctions

We will not provide any cover under this **Policy** or be liable to pay any claim or provide any benefit to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **Us** to the risk of any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, the United Kingdom of Great Britain and Northern Ireland, Channel Islands, Isle of Man or United States of America.

If any such sanction, prohibition or restriction takes effect during the **Period of Insurance** **You** or **We** may cancel that part of this **Policy** which is affected with immediate effect by giving such notice in writing.

In such circumstances, **We** will return a proportionate premium for the unexpired period of cover provided no claims have been paid or are outstanding.

15 Assignment

You shall not assign any of the rights or benefits under this **Policy** or any section of this **Policy** without **Our** prior written consent.

Following a covered loss of money, **We** will also pay for the reasonable and necessary auditors' fees incurred with **Our** written consent solely to substantiate the amount of the claim.

2. Previous insurance

If this insurance replaces a policy entered into by **You** to cover theft by employees or officials, **We** will cover **You** under this section for any loss:

- a. discovered during the **Period of Insurance**;
- b. committed during the period of the prior policy; and
- c. which is not covered under the prior policy solely because the discovery period under that policy has expired.

- i. cover for theft by employees or officials has been in place without a break in cover between the loss and the start of this **Policy**; and
- ii. the loss would have been covered under this section if it was in force at the time.

The most **We** will pay under this extension is the lower of the limit of liability under this section or under the policy in force at the time of the loss. If **One Claim** continues over the period of insurance of more than one policy, **We** will only pay one limit for that **One Claim**.

Conditions

- b. then to **Us** up to the amount **We** paid; and
- c. finally to **You** where an **Excess** has been deducted from the claim.

4 Loss prevention

It is a condition precedent to **Our** liability that **You**:

 - iii. retrieving any keys from the possession of the **Official**.

We will not cover any loss arising while **You** are not in compliance with this condition. This does not apply if **You** can prove that the non-compliance had no impact on the loss.

Conditions

1. Your representation

- a. On receiving a claim, if representation is necessary, **ARAG** will appoint a **Preferred Law Firm or Tax Consultancy** as **Your Appointed Representative** to deal with **Your** claim. They will try to settle **Your** claim by negotiation without having to go to court.
- b. If the appointed **Preferred Law Firm or Tax Consultancy** cannot negotiate settlement of **Your** claim, and it is necessary to go to court and legal proceedings are issued, or there is a conflict of interest, then **You** may, if **You** prefer, choose a law firm or tax expert of **Your** own choice to act as the **Appointed Representative**. **ARAG** will choose the **Appointed Representative** to represent **You** in any proceedings where **We** are liable to pay a compensation award.
- c. If **You** choose a law firm as **Your Appointed Representative** who is not a **Preferred Law Firm or Tax Consultancy**, **ARAG** will give **Your** choice of law firm the opportunity to act on the same terms as a **Preferred Law Firm or Tax Consultancy**. However, if they refuse to act on this basis, the most **We** will pay is the amount **We** would have paid if they had agreed to the **ARAG Standard Terms of Appointment**. The amount **We** will pay a law firm (where acting as the **Appointed Representative**) is currently £100 per hour. This amount may vary from time to time.
- d. The **Appointed Representative** must co-operate with **ARAG** at all times and must keep **ARAG** up to date with the progress of the claim.

2. Your responsibilities

An **Insured Person** must:

- a. co-operate fully with **ARAG** and the **Appointed Representative**;
- b. give the **Appointed Representative** any instructions that **ARAG** ask them to.

3. Offers to settle a claim

- a. An **Insured Person** must tell **ARAG** if anyone offers to settle a claim and must not negotiate or agree to any settlement without expressed consent from **ARAG**.
- b. If an **Insured Person** does not accept a reasonable offer to settle a claim, **We** will not pay further **Costs and Expenses**.
- c. **We** may decide to pay an **Insured Person** the reasonable value of the claim that the **Insured Person** is claiming, or is being claimed against them, instead of starting or continuing legal action.

In these circumstances, an **Insured Person** must allow **ARAG** to take over and pursue or settle a claim in their name.

An **Insured Person** must allow **ARAG** to pursue at **Our** expense and for **Our** benefit, any claim for compensation against any other person and an **Insured Person** must give **ARAG** all the information and help **ARAG** need to do so.

4. Assessing and recovering costs

- a. An **Insured Person** must instruct the **Appointed Representative** to have **Costs and Expenses** taxed, assessed or audited if **ARAG** ask for this.
- b. An **Insured Person** must take every step to recover **Costs and Expenses** and court attendance and jury service expenses that **We** have to pay and must pay **Us** any amounts that are recovered.

5. Cancelling an appointed representative's appointment

If the **Appointed Representative** refuses to continue acting for an **Insured Person** with good reason or if an **Insured Person** dismisses the **Appointed Representative** without good reason, the cover **We** provide will end at once, unless **ARAG** agree to appoint another **Appointed Representative**.

6. Withdrawing cover

- a. If an **Insured Person** settles a claim or withdraws their claim without **ARAG's** agreement, or does not give suitable instructions to the **Appointed Representative**, **We** can withdraw cover and will be entitled to reclaim any **Costs and Expenses** **We** have paid.
- b. If, during the course of a claim, **Reasonable Prospects** no longer exist, the cover **We** provide will end at once. **We** will pay any **Costs and Expenses** and compensation awards **We** have agreed to, up to the date cover was withdrawn.

7. Expert opinion

If there is a disagreement between an **Insured Person** and **ARAG** on the merits of the claim or proceedings, or on a legal principle, **ARAG** may suggest **You** obtain, at **Your** own expense, an opinion on the matter from an independent and appropriate expert.

The expert must be approved in advance by **ARAG** and the cost expressly agreed in writing between the **Insured Person** and **ARAG**.

Subject to this, **We** will pay the cost of getting the opinion, if the expert's opinion indicates that it is more likely than not that the **Insured Person** will recover damages (or obtain any other legal remedy that **ARAG** have agreed to) or make a successful defence. This does not affect the **Insured Person's** rights under condition 8.

8. Arbitration

If there is a disagreement about the handling of a claim and it is not resolved through **ARAG's** internal complaints procedure, the Financial Ombudsman Service may be able to help. This is a free arbitration service for eligible complaints. (Details available from www.financial-ombudsman.org.uk).

If the dispute is not covered by the Financial Ombudsman Service, there is a separate arbitration process available. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person.

If there is a disagreement over the choice of arbitrator, **ARAG** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.

9. Keeping to the policy terms

An **Insured Person** must:

- a.** keep to the terms and conditions of this section of the **Policy**;
- b.** take reasonable steps to avoid and prevent claims;
- c.** take reasonable steps to avoid incurring unnecessary costs;
- d.** send everything **ARAG** ask for in writing; and
- e.** give **ARAG** full and factual details of any claim and any information they need.

10. Equivalent laws

Your personal data is also used for business purposes such as fraud prevention, business management, systems development and carrying out statistical and strategic analysis.

Providing our services will involve sharing your personal data with, and obtaining information about you from, our group companies and third parties such as brokers, loss adjusters, credit reference agencies, fraud prevention agencies, our service providers and professional advisors, or business partners and our regulators.

In some circumstances we may transfer your personal data to countries outside of the United Kingdom. We will put appropriate safeguards in place to ensure that your personal data is protected.

Where we have your consent, we may market our services to you or provide your personal data to our related companies or business partners for marketing purposes. You can opt out of marketing communications at any time by clicking on the link at the bottom of any email or by contacting us.

Fraud prevention

We need to carry out fraud and anti-money laundering checks, and this will involve sharing your personal data (such as your name, contact details and financial information) with credit reference and fraud prevention organisations such as the Claims and Underwriting Exchange, run by MIB. If you make a claim, we will share your personal data (to the extent necessary) with other companies including other insurers and anti-fraud organisations to prevent fraud. For the purposes of deciding whether to accept and pay a claim or any part of it, we may appoint loss adjusters or external investigation services to act on our behalf.

If false or inaccurate information is provided and fraud is identified, your personal data will be passed to fraud prevention agencies including the Insurance Fraud Register, run by the Insurance Fraud Bureau. Law enforcement agencies may access and use this information.

Please note that when carrying out any fraud prevention activities, we may need to process your special categories of data such as criminal offence information and share it with fraud prevention agencies.
